

# *The Manchester Shrine Club of ACCA Temple*

## *10th Annual Cornhole Tournament*

*January 29th & January 30, 2021*

*The Manchester Shrine Club of South Richmond, Virginia, chartered in 1982 is an appendant body of The ACCA Shrine Temple of Richmond, Virginia which among other clubs, units, and temples throughout the world presides under Shriners International. We are an organization founded in 1886 whose sole purpose is to fund the ongoing charitable and miraculous works of Shriners Hospitals for Children. Manchester Shrine Club distributes the money from this tournament to support ACCA Shrine Temple and their charitable endeavors. **To date we have donated over \$ 93,000 from this tournament to help that cause!***

### *2021 Sponsorship Levels*

*Platinum Sponsor \$ 35,000 Raffle - \$ 1,250.00*

*This is the premier sponsorship of the tournament, recognized as the main event of the weekend, held just before the finals of the tournament. A table available with your logo and or products on display for the full extent of the tournament. Also, a representative from your company can help us draw the winning ticket for someone to have a chance to draw two envelopes and a chance to win \$ 25,000. If someone does win, ACCA Shriners will also receive \$ 10,000*

*Major Sponsor - \$ 1,000.00*

*Gold Sponsor - \$ 500*

*Each Major & Gold sponsor will have a lane with their logo and will be mentioned each time a game is called for that lane*

*Silver Sponsor - \$ 300.00*

*Bronze Sponsor - \$ 200.00*

*All sponsors will have their name on the annual commemorative t-shirt, and we will display your company banner or logo throughout the weekend. You will also receive a plaque in recognition of your efforts.*

*Sponsor: \_\_\_\_\_ Level: \_\_\_\_\_*

*Permission to use your Logo for Major and Gold sponsors: \_\_\_\_\_*

*Do you have a company banner you would like displayed? \_\_\_\_\_*

*Company Representatives Signature: \_\_\_\_\_*

*Proceeds are for the benefit of ACCA Shriners. Proceeds are not deductible as a charitable deduction.*
