# Potentate's Message

Michael "Mike" Lott

First off, Lady Nancy and I are thrilled to serve Acca Shriners in 2023. Thank you for giving us this important responsibility.

The Nobility elected an outstanding group of Shriners to serve on the 2023 elected Acca Divan. An equally talented group of Nobles are serving on the appointed Divan, Council and Committees. Our fraternity is in the hands of good men, with experience, commitment, solid values, and outstanding leadership skills.

A big thank you to Ill. Brian LaFontaine, PP and Lady Linda who skillfully guided Acca Shriners in 2022 with grace and style. Their enthusiasm, popular programs, events, and attention to detail provided financial stability and led to the formation three new Acca clubs.

For the past five years I have had the privilege of serving on the Acca Divan with outstanding Nobles. I especially appreciate the indispensable mentorship provided by the five previous Potentates: Ill. Dennis Berry, PP, Ill. Ed Ernouf, PP, Ill. Al Rock, PP, Ill. Rick Marion, PP, and Ill. Brian LaFontaine, PP. In addition, I value the advice and timely guidance provided by all Nobles, Ladies and Past Potentates. I applaud all Nobles and Past Potentates who continue their service to Acca Shriners by providing leadership and guidance for our Nobility.

We are seeking good men to join Acca Shriners. Our membership goal in 2023 is to bring in fifty new members. We need your help to reach this goal. Let's start immediately!

We are planning to have fun in 2023. I ask all Nobles and Ladies to attend and participate in the 2023 ACCA CUP BALL (Clubs, Units and Potentate's) on Saturday March 18, 2023. We will celebrate our fraternity with rocking tunes, delicious food, beverages, surprises, and fun. We are taking a bus trip to Alexandria, Virginia in February to commemorate the 100th anniversary of laying the cornerstone for the George Washington Monument. We are traveling to Myrtle Beach for the 2023 SASA Convention in September; cruising to New England and Canada in October and taking an AMTRAK train trip to New York City in December. Keep an eye on the Acca Website <https://accashriners.com/> and the Acca Calendar <https://accashriners.com/calendar/>

for details about Acca's numerous events and activities. In addition, please follow the Acca Shrine Center Facebook page and the Acca Shriners Group Facebook page.

We will support Shriners Children's and the Acca Transportation Fund in 2023 with donations and volunteer hours. Please join the Nobles who drive patients in our hospital vans to the Greenville Hospital and Philadelphia Hospital. I ask Nobles and Ladies to support the Acca Hospital Committee and Acca members who serve on the Greenville Hospital and Philadelphia Hospital Board of Governors.

With your help and participation, 2023 will be an outstanding year for Acca Shriners. Thank you for placing your trust in me to lead this great fraternity.

Fraternally,  
Michael B. Lott  
118th Potentate Acca Shriners

## Note to the Acca Shriner Ladies:

We are grateful for all members of Acca Shriners, Ladies, friends, and dedicated supporters.

Ladies, you make Acca Shriners an incredibly special organization. You give the organization the precious gifts of your time, talents, treasure, and service. You are leaders in Having Fun and Helping Kids.

In 2023 I will try to bring out the best in others and I appreciate the mentorship provided by all former First Ladies. I learned that it is all about friendships and being able to sense when someone needs encouragement or assistance. First Lady Debbie Holt and First Lady Rebecca Ernouf have guided, taught, consoled, and held my hand when I needed it the most. I thank all the Ladies of the Acca Shrine.

Warm Wishes,  
Nancy B. Lott  
2023 First Lady Acca Shriners

## From the Editor's Desk

Managing Editor  
Brian Moubray

Illustrious Sirs, Nobles, and Ladies of Acca, as we close out the year, I want to give my heartfelt thanks to all of you for your help and support during my first year as the Managing Editor of our Accalette. It's been a great experience and it would not have been possible if it wasn't for all of you! I especially want to thank Noble Rusty Brinkley and Illustrious Dennis Berry for bearing with me through all of the emails and phone calls with questions that they handled with great patience.

I would also like to take the time to thank Illustrious Brian LaFontaine for his support and help throughout his year as Potentate and congratulate him and Lady Linda for a great year!

As we enter the new year, I would like to welcome Illustrious Mike Lott and Lady Nancy as they begin their great adventure at the helm of our great temple.

Looking forward to the holidays, I can't help but to feel entirely grateful for my friends and family. The trials and tribulations of this life can be tough, and though they never last, our families will. And when I look at my two children, I am greatly blessed that the work we do as Shriners will live on not only in their lives but in the lives that we influence through our work to support our Shriner Kids.

I sincerely hope that your holiday season is blessed with great company, great meals, and a well-deserved rest and reflection. I am excited to see all that we will accomplish in this coming year. I have never done anything in my life more fun and more meaningful than becoming a Shriner.

Until the next issue of Our Accalette, thank you all again and keep having fun so kids can walk! And remember, no man stands so tall as when he stoops to help a child.

Local Service. Nationwide Care.

2. Change our name from ACCA Antique, Classic and Sports Car Club to ACCA Car Club.
3. Revise some Bi-Laws to be more in tune with current times.
4. Purchase Car Club shirts with our current logo for all current members and provide new. members with a shirt at their expense upon joining.

Potentate Brian LaFontaine and Lady Linda have had a great year at the helm of ACCA Shrine and I'm sure they will continue to be of great help in the future. Having said this, we welcome Mike Lott and Lady Nancy as Potentate and First lady to bring us another successful year in 2023!

Hope all had a wonderful Christmas and Happy New Year. Looking forward to 2023 with more fun and fund raising activities at ACCA Shrine.

## Upper Peninsula Shrine Club

The Upper Peninsula Shrine Club, which is small but growing, was formed last year with six members and during the year picked up seven more members with another six in the wings. The club covers Henrico County, New Kent County, Charles City County, King William County, and James City County. Frankly we welcome any Mason who is interested in becoming a Shriner to have fun and to help raise money for our “Kids”. Our newly elected officers for 2023 are: Steve Foster, President; Allen Stephenson, Vice President; Skip Floyd, Secretary; and Gary Palmer, Treasurer.

The UPSC has been meeting at Patsy’s Rest on Rout 60 in Providence Forge on the second Thursday of every month. A socialization hour begins at 6:30 with dinner at 7 PM (our next meeting will be scheduled for a Wednesday night 1/11/23, just for this one occasion).

We would like to heartily thank Patsy for her service to the Shriners because she typically does not serve a dinner menu. She has graciously allowed the UPSC to host their dinner meetings in her restaurant. Her home cooked meals are locally popular, and one must try her southern fried

chicken, southern BBQ pork and/or meat loaf just to name a few dishes. And let’s not forget the catfish!

During our November dinner meeting we were fortunate to have two very good speakers. Our featured speaker was Adam MacBeth, who is employed as an Archeologist for Colonial Williamsburg, who provided us with an overview of his work on the John Custis IV Square Project – Custis was a planter, politician, government official and military officer who sat in the House of Burgesses from 1705 to 1706 and 1718 to 1719; afterwards, esteemed Nobel Charles Brockwell provided an overview of his 60 years in Masonry with an interesting story about WWII and how he became a Mason because of his father and after meeting some notable military figures. He also talked about how being a Mason has influenced his entire life. Nobel Brockwell was accompanied by his very affable daughter, Laura Richmond.

Cheers

President, Steve Foster

# Accaba Court

Lady Sharon Heard, PHP

**G**reetings, Happy New Year everyone!! I hope 2023 brings much happiness and good health to all.

Congratulations, ladies for a job well done in 2022!! As a PHP, I am so proud of each of you for all the hard work you did last year and for the money our court donated to Acca Shriners. At the ceremonial in November, we donated \$1,782 to the Acca Transportation Fund, \$10,100 for the new air conditioner for Acca Shrine for a total giving in 2022 of \$24,229 to Acca Transportation, Acca Shrine and the Shriners Hospitals. A special thank you to our High Priestess, Lady Christi Colletti, for your leadership and to your officers for a job well done. Lady Christi, you have much to be proud of during your year as High Priestess. In March, you will be earning your new title - Past High Priestess.

Welcome to the newest members of Accaba Court: Ladies Liz Pearce, Kim Leathers and Susan Cunningham.

Welcome to our Court ladies, we all look forward to working with you.

Our ladies not only work within our court, but they also help with projects outside our court. In September, some of our ladies, and even some "Accaba Trailers" donated their time to Sedona Taphouse's Oktoberfest at Westchester Commons in support of Tunnel to Towers. We all had fun working on this project until the wind and rain came. Once that happened, I must admit, we all looked like we had taken a shower in our clothes. Sedona Taphouse is such a big supporter of Acca Shrine and Accaba Court, it was nice for us to be able to help support this project with them. With the help of our ladies and their trailers, Sedona donated over \$1,800 to Tunnel to Towers. Way to go ladies!!

Our Christmas party was a great success and our unit's performances were so special. We had a very special guest attend, Lady Virginia Watkins, PHP (2003-2004) of Accaba Court. Lady Virginia turned 100 years old on November 28th. We were so happy to be able to celebrate a belated birthday with her. Lady Christi presented Lady Virginia a birthday cake and everyone sang "Happy Birthday" to her.

Happy Birthday, Lady Virginia!!!

# Acca Ceremonial Cast

William R. Bond, III

The Ceremonial Cast was well represented at SASA this September. A great time was had by every Noble and their ladies. The bar in the Hospitality Room was well manned by our members. Friday night we shared a delicious meal together as a group at a Chestnut Hill Restaurant. Shown below are all who attended:

Members of the Cast helped on several occasions with the 2022 Sportsman Raffle at Bass Pro Shop

Novices who received the Ritual of the Order.

The Ceremonial Cast performed the Ritual of the Order on Saturday, November 13th at the ACCA Shrine Temple. Candidates received the Ritual of the Order in a very impressive ceremony.

# Director's Staff

Jim Deitrick

Our Unit hasn't been spared the effects of the dreadful Covid illness and other maladies. Our 'Wellness' Monthly Report always has far too many names of Nobles and/or their Ladies on it. This means that they, in most cases, don't feel like participating fully in our Unit activities. Of course, it saddens us deeply when the Black Camel notice comes out notifying the Unit members of the passing of a member. One such occurrence in September touched us deeply. Our friend and brother Mason, Thomas Shanon Berry Jr., passed away in September after courageously fighting a dreadful disease. Throughout this battle, he continued to exhibit his love for mankind and the world around him. His benevolence will long be remembered by his family and his multitude of friends acquired throughout the years.

On a less somber note, we've made it through some of the major holidays and now enter the last two holidays of the year. Once Santa gets through distributing gifts and the ball drops in Times Square, we'll be off and running through the first and second quarters of the year.

Traditionally, the First Quarter starts off with an evening in January to honor our Staff Ladies. This year will be more of the same; beverages before a nice dinner with a presentation of a rose to each of our Ladies present and remarks directed to the terrific support our Ladies provide to us. Then, in February, we will prepare a big old pot of Brunswick stew, for which we are famous. Of course, we are not only famous for the food product that comes out of that 400-quart stewpot,

but also for our banter that is offered by those stirring the stew, and those who are sitting/standing around the pot waiting for their turn to assist the Stew Master. What stories are relayed! Some are realistic and some far-fetched, with emphasis on the far. We've had stories involving everything from bullets and grenades in the stew itself to wayward rodents escaping out of a Past Director's chair bag, one of which became lunch

for a visionary hawk. Sorry, I got carried away with memories.

During the Second Quarter, we will look forward to celebrating the 'wearing of the green'. Then, when Easter approaches, we support the Temple's celebration of that decorated rabbit carrying that basket of colored eggs, and dressed funny many times. And of course, we'll be looking on different ways of raising funds to support the Temple, Transportation Fund, and the Staff's expenses.

## Staff Murmurs

Speaking of 'out of town experiences', what Unit Director has recently moved to Virginia Beach to try his hand at 'long distance management'? Incidentally, we are duly impressed with the bartending abilities of our two Probies retrieved from the Fall Ceremonial . . . just saying. Remember as a child, you learned the verses that begin with the following, 'this little pig's gone to market . . . ' as you're playing with your toes? You could say the same thing about the bovines mentioned in a previous article.

I don't always go the extra mile, but when I do, it's because I missed my exit.

# Oriental Band

Tom Colletti

The Oriental Band has had a fun filled year, focusing primarily in getting active at the Temple. We have participated in numerous events including the Tail Gates, Coin Show, and most recently provided our services to the LOS in support of their Sadie Hawkins Dance. One of our members Curtis Brushwood, has been providing the BBQ we have been using at our fundraisers. The reviews have been favorable from people both inside and outside of the Shrine. Our

parade season didn't go as expected as we were only able to participate in 2 of the parades this year due to our members having other obligations, but we were able to provide our famous music at the fall ceremonial. We would also like to welcome our newest member, Noble Josh Brookreson. We are looking forward to him and his family being part of our unit. We have elected our 2023 officers and we are looking forward to a fun filled year.

# Hillbilly Unit

## Secretary Ross Morland

Howdy y'all! Did you know there are 5,000 types of snakes and 4,998 of them live in the South? Also, there are 10,000 different types of spiders. All 10,000 of them live in the South (plus a couple no one's seen before). To wrap up our summer, our members and ladies participated in the Turtle Degree and learned the response to the question, "Are you a Turtle?" It was the first time it had been conferred in over a decade, but it will not be the last. If you have never taken this degree or (our favorite) the Hillbilly Degree, you are in for a hilarious treat. Just contact Illustrious Sir Tim Southern to schedule one or both.

The Unit packed their bags and headed down to Myrtle Beach, South Carolina the second week of September for the annual South Atlantic Shrine Association's Fall Convention. It is by far the largest and most fun Shrine event we attend all year. We were proud to have had nine members and their Ladies make the trip to be a part of the festivities. On a special note, Cuzin Todd Day brought his 1930 Model A truck — the very one owned by his father and Charter Member, the late Eddie Day. It had been many years since ol' "Southern Comfort" was in a parade, and its return was a wonderful way to honor our beloved Brother. Speaking of parade vehicles, the Unit adopted a new golf cart which was dubbed "The Pig Mobile." Just you wait to see (and hear) this unique machine crafted by the finest of hillbilly ingenuity.

Of special news, our Captain was recently recognized by one of the Shrine Hospitals for all the trips he has made. Our 1st Lieutenant, Cuzin Steve Young, reporting: Capt'n Stanley Bryant has served many years as a driver transporting patients and their parents to Shriners Hospitals for Children. He most often drives to the hospitals in Philadelphia, Pennsylvania and Greenville, South Carolina, but has also taken patients to the hospital in Cincinnati, Ohio. Over the past several years he has also served as Acca Shrine's Hospital Transportation Coordinator for the Shenandoah Valley.

Recently, the Shriners Hospital in Philadelphia recognized Capt'n Stanley with the "Transportation Super Award" by adding his name to a plaque prominently displayed in the hospital lobby. Two of his co-drivers, Nobles Charles Doyle and Frankie Sheridan (fellow Hillbilly), also received this high honor. Their service to others is a conspicuous display of brotherly

love. Congratulations Captain! Your dedication to our Masonic principles gladdens the hearts of the patients and families you serve. The Unit is very proud of you!

The Hillbillies participated in six Christmas parades this season; all of which were very well attended. The Waynesboro parade saw 18 members and members of the Transportation Committee. A big THANK YOU to Nobles Bill Ferguson, David Eels, Scott Davis for making the trip all the way from Richmond. We hope you have a blessed Christmas and wish you a prosperous new year. Y'all take care and honor the cob!

# Golf Club

## President Larry Koon

Another year is behind us, and it sure seemed to pass very quickly. But on a positive note, we should be thankful that we were allowed to share the time with family and friends.

The Acca Golf Club had another banner year. We played the better courses in and around Richmond. We also included two special golf outings. In May we played Spring Creek, then played The Federal Club in October. Both are elite courses in the area.

Each year, we are able to support our Masonic Family. We sponsored a hole at each of the Grand Masters' Tournaments as well as the Scottish Rite Tournament. At the Shrine Fall Ceremonial, we contributed to both the Acca Shrine Center and to the hospitals. Although some of our golfers are not Shriners, they generally donate to the hospitals.

We have one last event for 2022, although it will happen in 2023. Our Ladies Night will take place at the Meadowbrook Golf and Country Club. We do this because our ladies request it so they have time to relax after the holidays. It will be on January 18th and more information will follow.

The turnout for each of our outings this past year has been very good. We are getting an increase in the number of non-Shriners playing with us. Although they

can't be a member, they are welcome to participate in each of our events. We would certainly like to have more Shriners join our group. As I can truly attest, you don't have to be a scratch golfer. Our format makes it enjoyable for everyone: Best drive off of the tee, play your own ball the remainder of the hole, pick up after a double bogey. Also, you may drive off of different tees, depending on your age. The format seems to satisfy everyone.

Yes, the year has passed quickly, but we can enjoy the memories and good times we shared.

**Be Nice-Keep the Sunny-Side Up.**

## HELP US REDUCE ACCALETTE EXPENSES

Dear Nobles, Ladies and Friends of Acca Shriners:

The Board of Directors is taking steps to make sure our finances are being well managed. Much has been done to reduce wasteful spending and control expenses by reviewing our spending habits, contractual agreements, and compensation offerings.

We realize the Accalette is a quality publication that many of you enjoy. However, costs of publication and mailing run from \$12,000 to \$15,000 annually. When the publication is delivered to the U.S. Post Office for bulk mail distribution it can take weeks before it reaches the reader. That and the fact we have already reduced the number of issues to save cost can make the

news in the magazine old news. We feel our best method of communication with the membership is through email and telephone.

Consideration was given to making the Accalette a digital publication only, but we recognize that some of our members would not be able to receive it in this manner. Therefore, we ask for your help. If you would like a copy of the Accalette mailed to you, please email [accalette@accashriners.com](mailto:accalette@accashriners.com) and please provide us with your full name and mailing address. For additional information refer to the Editor's article on page 4 of this edition.

Your cooperation in this matter would be greatly appreciated.

Sincerely & Fraternaly,  
Brian F. LaFontaine

# Million Dollar Band

Bill Hudson

As we approach the finish line, we can't put 2022 to rest without putting a few more special events into the success column. Yes, we made our presence known at SASA by putting on a short concert at the conclusion of the annual South Atlantic Band Association meeting and taking our trailer down the street in the parade. We brought home a trophy, but more importantly, we brought home fond memories of our experiences at the beach. Several of our guest musicians came along to support us at the concert, and although they couldn't ride with us in the parade, they had the opportunity to watch it and experience the fun.

We hit the road again in the fall by participating in the Ashland Christmas Parade. That parade is definitely one of our favorite annual events. As usual, it was quite chilly that day, but a fun time was had by all. Earlier, we had expressed interest in making the trip to Urbana for their Oyster Festival parade, but since that's in Khedive's area it didn't work out for us this year. Maybe next year. In December we set our sights on the annual McArthur Street Festival, but as we now know, unfortunately the parade portion of that event was cancelled. Since that Saturday morning was already scheduled, and we still had the urge to play Christmas tunes, we decided a cancelled parade wasn't about to stop us from playing. With that in mind, Pres. Dann got with the organizers of

the event and ended up securing a spot right in the middle of all the activities for us to set up and play. It just goes to show that when you know what value your presence can add, it pays to toot your own horn. We left there and returned to the Shrine Center in time to play for the business meeting and attend the Potentate's Appreciation Party.

Our highlight performance at this time of year was at one of our very favorite venues. We put on a Christmas performance for those very near and dear to us at the Masonic Home. Our program consisted of a variety of Christmas pieces from traditional to more interesting arrangements. All and all, the audience seemed to enjoy the music and the shenanigans of our program MC, yours truly. It's always a special time when we get to visit with those folks. That brings us to our final event of the year, Breakfast With Santa. This day means a lot to us for several reasons. First, seeing the enjoyment on the faces of the children that a morning like that can bring. Second, we in the band get to let our hair down and just enjoy the moment by playing for an excited crowd. And third, we know that afterward brings a time of rest and reflection and the opportunity to enjoy and celebrate what this season is really all about.

Until next year,  
Bill Hudson, Reporter

**N**obles, Ladies and Sweethearts of ACCA, it is the time of year for giving thanks, celebrating the birth of Christ and starting anew. I hope your Thanksgiving was bountiful, your Christmas will be joyous and your new year prosperous. Thanks, Joy and Prosperity can come in many ways, let's be sure to try and recognize them all.

SASA has come and gone and was a big success according to all who attended. MSC was well represented. Thanks to all who participated and helped wherever they could. Our Saturday lunch after the parade was a big hit.

Speaking of SASA, our drifters were there for the first time and made a big impact finishing second overall for their first trophy under the direction of Captain Bobby Smith. They followed that up with a first-place trophy in the Gordonsville Veterans Day Parade. These guys have worked hard and now have a full parade season under their black hats. They are definitely a crowd favorite everywhere they go. Smoke and bubbles are now part of the routine and kids love it. Also, part of the routine lately has been a few rollovers, no one was hurt, and we won't mention any names, let's keep them wheels on the ground. If you would like a test ride, just ask one of those guys, you may get hooked.

Many thanks to the Greys Point "Rivah Dawgs" for a heck of a year. The lot raffle netted 11k, the stew made by Daniel and Margaret Edwards brought another \$4,200 along with a washer tournament raising \$1,000. To top off the year, there was Brent Days in November where there was another \$3,200 raised. Great job guys and gals!

Our Christmas party was another great gathering of food and fellowship. The room was set up beautifully and the atmosphere was perfect with Christmas music

and a lot of "ugly" sweaters, not all but definitely a few, you know who you are. Thanks to lady Kim and all of her helpers in making this event perfect.

During our Christmas party we drew the winner of our annual TC Atkinson memorial raffle. Congratulations to Tracy Tanner Bond, lady of Noble Bill Bond. She was the winner of \$ 5000. Wonder what Bill will get for Christmas? I know little elves are talking...

Dates are set and flyers are out for our 11th Almost Annual cornhole tournament. Please start gathering those sponsors, raffle prizes and putting together teams for March 30th and April 1st. Save the date and more to come.

MSC continued its tradition as the best club in ACCA this year and we must thank our officers and their ladies under the direction of our president Bruce Smith and his lady Kim. Our largest donation to date took place at the fall ceremonial. MSC has given a whopping \$42,300 in 2022. We should be proud of our accomplishments. We have no doubt that this will continue in 2023 under our newly elected officers,

President, Noble Bill Bond, 1st VP, Noble Bobby Smith 2nd VP Noble Boomer Calhoun, 3rd VP, Noble Gary Westerhouse, Secretary, Noble Terry Nall, Treasurer, Noble Shannon Hartman. No pressure guys...

Come give us a visit, have a meal, help with a fund raiser. You never know, you may want to become the newest member of the #1 club in ACCA.

# Provost Guard

## Major Steve Putnam

Illustrious Sir, Nobles, Ladies and Sweethearts of ACCA, This year seemed to have zoomed by! There were so many events held this year by various Units and Clubs at Acca. There was something for everyone. Provost Guard Nobility and Provettes and Ladies worked hard this year fund raising for our Hospitals, Van Fund, and our dear aging ACCA Facility.

I, along with Lady Diane, would like to thank everyone at Provost Guard as well as the Acca Divan for their generous time and fellowship through out the year. I would like to introduce Major Bert Norfleet as Provost Guard's new Major for 2023.

Thanks to Noble Mike Lott for installing the new 2023 Provost Guard Officers during our annual Christmas Dinner at Anna's in Mechanicsville, Va. on December 14, 2022. Provost Guard looks forward to working with our

New incoming Potentate Illustrious Mike Lott and his Lady Nancy Lott!

Remember Nobles:

The Provost Guard is a unit formed for the purpose of promoting good fellowship, democracy, cooperation and good clean fun among its members and the Nobility. The unit performs its duties at the direction and pleasure of the Potentate.

Provost Guard looks forward to the coming 2023 Year at Acca. Together we can continue to support our Temple and the children.

Fraternally,  
Major Steve Putnam

# Piedmont Shrine Club

The Piedmont Shrine Club held its 32nd Annual Installation Night at the Historic Michie Tavern in Charlottesville. This has become the Annual favorite meeting place for our Club. The meal and atmosphere always provide for a wonderful evening of food and fellowship for our Nobles and Ladies, their families and our Sweethearts.

This festive time of the year finds Michie Tavern decorated for the holidays, and with the chilly night we enjoyed the first roaring fire of the year in their fireplace. Our Vice President, Noble Gene Goin, provided table decorations of flowers to add to the beauty of the evening. We received a presentation on the History of Michie Tavern from Sam Morris, Manager and Historian, who then directed us to the buffet for us to enjoy dinner. The food was delicious as always, with their famous fried chicken along with ham and many sides. It was topped off with dessert of peach cobbler a la mode.

Our Installation Meeting was the purpose of the evening, and the incoming Officers for years 2023 and 2024 were introduced: Incoming Officers: President - Noble Brandon Black; 1st VP - Noble Craig Spicer; 2nd VP - Noble Gene Goin; Secretary - Noble Larry Claytor; Treasurer - Noble Goldie Tomlin, Jr.; and Chaplain - Noble Phil Nelson (Noble Phil was unable to attend as his wife Joie was sick. Noble Blake Jordan stood in for

him this night). Illustrious Potentate Brian LaFontaine performed the installation ceremony.

Illustrious Brian LaFontaine made his remarks and made a presentation to Noble Goldie Tomlin, Jr. Noble Goldie has been very active in all aspects of the Shriners, including planning the Michie Tavern Dinner for the past 12 years. The Potentate presented Noble Goldie with an ACCA Shriners travel mug and declared that day to be "Noble Goldie Tomlin Day" to the applause of all.

Noble Goldie Tomlin Jr. made remarks that were very emotional and appreciative. His remarks were simple in that one should tell people that you love and cherish how you feel while you have the chance and while they are still living. Noble Goldie did not hold back his feelings.

# Mini Patrol

## Commander Jason Hodges

The Mini Patrol had some key events this year while celebrating our 50th anniversary, and the family culture that has long been the foundation of our unit. The official 50th anniversary celebration took place during the Spring Ceremonial weekend. On Friday, June 3rd, we were recognized during the open house. On Sunday, June 5th, we held an official celebration with a fantastic turnout of past and present members along with a strong presence by our elected Divan, including Illustrious Brian LaFontaine and Lady Linda. Stories were told, milestones remembered, past members were celebrated, and successes were shared with all present. Later that month, Forest and Holly Dance held an outdoor picnic at their home. The picnics didn't end there, though. We were also hosted by Larry and Bonney Pettey after the Irvington fourth of July parade. Each of these events helped to center us and gave the current nobility a chance to see folks that had not come out for some time, including our sweethearts and senior members.

We paraded throughout the year and had two good fundraisers, but I am especially pleased that we had a very strong presence for this year's Christmas Parades. The highlight of the Christmas season was our invitation to escort Santa and Mrs. Clause in the Varina Big Toy Parade, a great local event in an area that loves Shriners but doesn't get a lot of our attention. The crowd loved us, and the parade folks were so happy to have us there that we also received the Judge's Choice Award. It's nice to experience the small-town events. Our final parade was the Chester parade, and this year it had a really special meaning for this dad. I got to have the ultimate

parade experience this year by parading with my three kids. They had such a great time waving at the crowd -- they really felt special. It reminded me about how I used to feel when I was growing up as an Acca kid. They had such a great time that I got a few pledges for future drivers!

We closed out the year with a fun and well-attended Christmas party hosted by Gary and Donna Prock. We parade, fundraise, and do our best to support Acca Temple. But more importantly, we are an extended family of nobles and ladies, kids, and grandkids. This year was my third time serving the group as Commander. I am proud of, and thankful for, all the folks who stepped up this year to celebrate who we are and build some momentum to keep doing it for years to come. In closing, I would like to extend a heartfelt thank you to everyone who participated in this year's Mini Patrol events!

Sincerely and Fraternally,

Jason Hodges, Commander, '14, '15, '22

# Sauerkrauts Band

Bill Hudson

Well, another year was added to a long list of very successful performing seasons. We ended up playing just shy of twenty gigs this year and were able to contribute a respectable amount of money in support of our cause. But more importantly, and speaking for the entire band, we had a ball. It's very important to maintain a balance of fun with a quality sound. I've said this before, and I know for a fact, that our band gets better with each performance. We are securing a foothold at several venues and establishments and our reputation is ever growing. We approach each performance with a professional, confident manner, but at the same time in a lighthearted, fun way. We really do enjoy what we do, and we can tell that the audience sees that written on our faces. We want each gig to be a happy experience for all, where everyone, including the band, is caught up in the fun and frivolity. On that count, we were very successful. We ended up playing all of the various venues we play each year, including The Richmond Oktoberfest and Hardywood Brewery in Goochland. This season we added The Steambell Beer Works off of Genito in Chesterfield, The Lakeside Park Club, formerly the Lakeside Jefferson Country Club, and Brandermill Woods. We feel confident we will be returning to each of these in coming years.

From a musical standpoint, we are improving all the time. We have become so familiar with the pieces we play that for many of us, the music on the stand is no longer needed. I, personally, would like us to get to the point where we don't have to tote music stands around. To be able to move from piece to piece without having to search through a book would be the very height of professionalism. We have quite a way to go, but that day may be sooner than we think. I did mention confidence earlier, didn't I.

Our last gig of the year was for the Provost Guard at their annual Oktoberfest. A great time was had by all. We look forward to that performance each year because it truly is special. To be able to share the comradery with other Nobles and friends makes it unique. It's always great when one unit can support another, thereby keeping a lot of the money in the house going where it is most needed, which is towards all those things required to make our charity successful.

As is customary, the Krauts celebrated year end with our annual dinner and meeting. We nominated officers for next year, decided on our monetary distribution to

be announced at Ceremonial, and enjoyed a time of fellowship among band members and family. There can be no better way to bring a very busy and productive year to a close than by sharing a meal and beverage with those who made it so successful. We had to change the location this year due to the sad closing of our former watering hole, The Robin Inn. This time around, we found a very suitable replacement in O'Toole's Irish Pub. The folks were great, and the food was outstanding. I'm sure we'll make this our new "home".

This coming year promises to be another very successful one. Our Booking Agent, Chris Frohne, has already started working on our schedule with an emphasis being placed on early Spring gigs. If any of you know of an event for which the Krauts could add to the fun, give Chris a call.

Until next time,  
Bill Hudson, Reporter

**Valley Shrine Club**  
Secretary Dan Perry

The Valley Shrine Club held its monthly dinner meetings for the Nobles and their Ladies at AmVets for September, October, and November. During the October meeting, the drawing was held for the 50/50 Raffle. The total tickets sold amounted to \$9,000, with half going to the winning ticket and half to the club, which will be a part of the club's total contribution to ACCA. Noble Ken Hoes, VSC treasurer, presented a total of \$23,000 to ACCA on behalf of the club. At the November dinner, the guest speaker was Dr. Mary Ellen Waltz, a podiatrist in Fishersville, Virginia, who gave an informative overview of the services and treatments which she offers in her practice.

On Friday, December 9th, several VSC members and their ladies treated Noble Ray Drumheller and Lady Mary Alice to lunch at Mrs. Rowe's restaurant in Staunton. Ray is currently undergoing medical treatments and club members felt this was an appropriate way to show support for Ray and Mary Alice and to recognize his service to the Shriners' organization.

VSC members continue to meet for breakfast every Wednesday, during which time we enjoy a good meal, the comradery of other Nobles, and the discussion of VSC business. The VSC Christmas dinner will be held on Saturday, December 17th, at AmVets. The Officers and Board of Directors of VSC wish each Noble and his family a very Merry Christmas and a healthy, prosperous New Year!

Respectfully submitted,  
Dan Perry, Secretary, VSC

# Greenville Hospital Report

Richard "Doc" Redman

The Greenville Hospital has recovered from the Covid pandemic and is once again functioning at pre-Covid levels. The mandate by Tampa in February that all non-vaccinated personnel would be terminated resulted in a loss of about one fourth of the employees, covering all departments. This resulted in a big slowdown of all services, but that is now corrected.

Three satellite clinics are once more open and sending patients to the hospital.

Our telehealth program developed during Covid is now the fourth busiest in the system and covers our six-state referral area. The volume of patients in this program continues to expand.

Bill Munley, our Administrator, is very aggressive regarding referral systems. The hospital has joined multiple large referral groups and now has several thousand physicians outside the Shrine system referring patients with pediatric orthopedic problems directly to the hospital. Total numbers are not yet available, but the number of referrals increases monthly.

The Tampa hospital has closed, which leaves Greenville as the only Shriner facility in the southeast United States. Those Tampa patients were initially sent to Shreveport, but many are now being seen in Greenville. It appears as that volume will increase in the future.

Dr. Wattenbarger, our Chief of Staff, and a team of nurses recently returned from a trip to El Salvador. This

trip was specifically to train physicians there to do some spine procedures rather than bringing the patients back to the US for surgery. Other Shrine hospitals have started similar programs. This saves a mountain of paperwork with government agencies and allows the patient's family to be with them, which is usually not the case when the child is brought to the US. This program is in its infancy, and it will be interesting to see how it progresses over the next several years.

ACCA is very fortunate to have members on the Board of two of the top performing hospitals in the Shrine system. I would like to encourage anyone who hasn't visited one of the hospitals to do so, particularly our new Nobles. It will certainly make you more aware of our purpose as Shriners. Each of the hospitals has a program once a year with tours of the hospital and presentations by some of the patients. These dates will be announced well ahead of the programs.

We are also in dire need of Roadrunners to transport the children to and from the hospitals. Please contact Bill Ferguson or the ACCA office for more information if you are interested.

Ill Sir Dennis Berry and I thank you for allowing us to represent ACCA on the Board of Governors at Shriners Children's -Greenville.

Richard "Doc" Redman, MD

# Philadelphia Hospital Report

Daniel L. Freye, Chairman - Board of Governors - Philadelphia

**G**reetings from Philadelphia! 2022 was a great year for Shriners Children's Philadelphia and 2023 promises to be even better!

This year saw the official establishment of the Northeast Market. Comprised of Shriners Children's locations in Philadelphia, Boston, Northeast (Springfield), and Erie. The market concept was developed to explore areas for collaboration, consolidation and general efficiencies. So far, a Market Development Director has been hired and information technology has been centralized. Plans are underway for the creation of Market Directors of Finance and Human Resources positions. We are currently interviewing candidates for a Market Administrator who will have overall responsibility for the four locations.

The highlight of 2022 were the celebrations of the 150<sup>th</sup> anniversary of Shriners International and the 100<sup>th</sup> anniversary of Shriners Hospitals for Children. On September 16, Shriners Hospitals were celebrated on Good Morning America, with several of our board members prominently featured wearing their fezzes in Times Square! On November 12, the Celebration of the Century was held at the Minute Maid Park in Houston, Texas. The highlight of the evening was a concert by Country Music Award-Winner, Singer-Songwriter Dierks Bentley. The Philadelphia BOG sponsored a patient family "Champion Couple" to attend the event.

Closer to home, the Doylestown clinic continues to grow as we are now staffed by a physician five days a week. Volume for the past several months has been 70 patients per month, half of them being new to the Shrine system. We are already seeing referrals based on the excellent Shrine care these "new" kids have received.

After a two year delay caused by hurricanes and COVID, the Puerto Rico outreach clinic is being planned for February, 2023. This clinic has been a semi-annual event for the Philadelphia team since 1964 and we are excited to reconnect with those patients and their families.

As reported in the last issue, Shriners Hospitals for Children-Springfield transitioned to an outpatient

clinic under the new name, Shriners Children's New England. Our leadership team has been actively coordinating patient referrals and assisting with medical staff and administrative needs. Like our Puerto Rico experience, Springfield has a long history of providing outreach clinics to Cyprus. That tradition will continue in January through the collaboration of the Northeast Market and the Greenville hospital. Philadelphia's Spine team will be represented at the week-long Cyprus clinic by Dr. Samdani and Nurse Manager Jen Sanceciz. Shriners Children's Greenville will be representing Orthopedics and Boston will be representing Plastics. In addition to seeing patients for multiple clinic days, the physicians will also be participating in physician education, a U.S. Embassy reception, interviews and a meeting at Parliament, and a tour of the Archbishop Makarios III Hospital. The clinic is being hosted by Paraskevaides Foundation and the Cyprus Ministry of Health.

It wouldn't be a Philadelphia Hospital report if I didn't recognize our exceptional surgeons. Dr.

## Continued

Steven Hwang has received the Scoliosis Research Society (SRS) Traveling Fellowship for 2023.

This prestigious annual traveling fellowship sponsors three SRS fellows to visit major spinal deformity centers under the guidance of a senior SRS fellow. Dr. Hwang follows in the footsteps of Doctors Josh Pahys and Amer Samdani who received the award in 2017 and 2013, respectively. The Philadelphia hospital doctors continue to excel in their specialties.

It would also not be a Philadelphia report if I didn't thank the Nobles and Ladies of Acca for their support throughout the year. At the December board meeting, Noble Dave Eells and I had the pleasure of presenting checks totaling \$3,800 from Acca Shriners units and clubs. Special thanks to the Nobles and Ladies of the Piedmont Shrine Club, Hopewell Shrine Club, Oriental Band, Legion of Honor, Sauerkrauts Band, and Million Dollar Band for your generosity!

Finally, at its November meeting, the Board of Trustees elected the officers and members of the Philadelphia Board of Governors for the upcoming year. I am honored and humbled to be re-elected as Chairman of the Board for 2023. The other officers are, Vice Chairman Noble Chris Ritchey (Jaffa Shriners), Secretary Noble Tom Spoltore (Lulu

Shriners), and Treasurer, Henry Haughey (Crescent Shriners). It is truly an honor and privilege to lead all of the dedicated Shriners who serve on the Board of Governors. I am proud to report that collectively the Philadelphia BOG, directly and indirectly, contributed over \$500,000 to the Philadelphia hospital in 2022.

By the time you read this, Vice Chairman Ritchey and I, along with the hospital leadership team, will have attended the annual leadership conference in Tampa. I will update you in the next installment.

Noble Dave Eells and I are honored to serve on the Philadelphia Hospital Board of Governors and represent Acca Shriners in that capacity. Please let either of us know if you have any questions about the hospital and especially if you know of a child who could benefit from Shriners care. As always, thanks to all Acca Nobles and Ladies for your continued support and commitment to Shriners Children's Philadelphia and the World's Greatest Philanthropy. Please follow Shriners Children's Philadelphia on Facebook for current information.

Fraternally and sincerely,

Shriners believe in God and that He created man to serve His purposes, among which is service to others in His name.

We believe that care for the less fortunate, especially children who suffer from burns and crippling diseases, is our institutional calling.

We are patriots, each willing to serve his country with fidelity and courage. We cherish independence under law and freedom with responsibility.

We honor family. We respect our parents, wives and children. We should instill in our children the tenets of this creed, and the heritage from which it emanates.

As individuals we pledge ourselves to integrity, virtue and nobility of character. Our intentions will be honorable, our relations will be trustworthy and our spirits forgiving of each other.

As brothers we offer each other fraternal affection and respect. Together we will support each other in adherence to this creed, so that we and our communities will be the better because of our fraternity and its principles.

As Shriners we look beyond ourselves to serve the needs of others, especially children who cannot help themselves. We believe Shriners Hospitals to be the world's greatest philanthropy, and we covenant with each other to support its "temples of mercy" with spirit, time, talent and means.
